

Bless-A-Birthday

The Bright Blessings Student Birthdays Project serves approximately 500 transient homeless students across CMS every year. Please consider donating a ready-to-go Classroom Party Pack and give the gift of joy and confidence to a child in need.

Each Elementary Classroom Party Pack includes:

- 24 cellophane bags/treat sacks, each filled with:
 - ❖ One juice pouch
 - ❖ One snack-size bag of commercially packaged cookies (*no peanut products, please*)
 - ❖ One lollipop
 - ❖ One small party favor (fun/decorative pencils are great!)
- One package of small, cake/snack-size birthday plates (24 count)
- One package of small napkins (24 count)

Our volunteers deliver all party packs directly to school personnel, allowing this anonymous program to lift spirits and boost confidence for transient homeless students among peers.

Bright Blessings also provides each birthday child with new presents, new books, and a Care & Comfort Kit filled with hygiene essentials and comfort items.

THANKS FOR YOUR SUPPORT!
