

Laundry CHECK LIST

- ___ Laundry volunteer should be strong enough to lift heavy bin into back of car or truck. If not, please call church office and arrange for a janitor to meet you at Kerr building to help.
- ___ Arrive at Kerr Building Thursday Morning.
- ___ Take rolling bin with dirty sheets and towels to Countryside Cleaners across from the Mint Hill Deli. If blanket, comforter, or pillows were wet during the night, these should be in a separate plastic bag on top of the bin to be taken to the cleaners, as well.
- ___ Countryside opens at 6:30 am, but if you arrive sooner, you can leave the bin outside the back double doors of the cleaners.
(Note: Countryside's back doors are the far double doors behind the building).
- ___ Do not pick up the clean linens. Sheila Cloninger will retrieve the bin with the clean linens later on Thursday.
Note: Sheila ONLY picks up CLEAN linens from the cleaners. It is the class's responsibility to take the dirty linens to the cleaners.
