

ROCK *vs* SAND

what will you build on

9.29.25

A MITE-y small offering

In this story, there is an object called an 'offering box'. Offering boxes, or coffers, were made of copper and shaped like long tall trumpets. They were designed to rattle and ring and clang when bags of coins were dumped in. The louder the noise, the bigger the offering.

Read Luke 21:1-4

For VERY young builders (Ask this question each time you do household worship).
How much do our hearts want to give Jesus? EVERYTHING!! (arms spread wide)

01

What kind of sound did the widow's offering make?

02

Describe the widow.

03

How much was the widow's offering worth? Explain.

04

How much was her offering worth to Jesus?

05

Why was the widow's offering worth so much to Jesus?
(He even POINTED IT OUT to his disciples!)

06

How could the widow give so much?

- Pray that Jesus gives us hearts like the widow, not the rich young ruler.
- Pray that Jesus would build our faith and trust through giving.

Memory Verse

Philippians 4:12-13

12 I know what it is to be in need, and I know what it is to have plenty. I have learned the secret of being content in any and every situation, whether well fed or hungry, whether living in plenty or in want. 13 I can do all this through him who gives me strength.
